

TOWN OF BATAVIA PLANNING BOARD
PUBLIC HEARING OCTOBER 16, 2012

RE: GENESEE VALLEY AGRI BUSINESS PARK—RE-SUBDIVISION

The public hearing was called to order by Chairman Kathleen Jasinski at 7:30pm. The notice, as published in the Batavia Daily News, was read by the Secretary.

The purpose of the public hearing is for a re-subdivision of land to allow the completion of road construction from Genesee Valley Agri Business Park to Ellicott St. Rd.

Mike Nichols from the Wayne Nichols Farm (former Alessi property) on Ellicott St. Rd. stated that he hates to see prime farm land be cut up. He would like to see a map of the proposed roadway.

Town Engineer Steve Mountain stated that the interim solution was to go to Cedar St. with the road. But it has always been the intention to go to Rt 63. So that is why it was decided to pursue it further.

When no further questions or opinions were expressed, the public hearing was closed at 7:43pm.

Respectfully submitted,

Kathleen Jasinski
Chairman
