

PUBLIC NOTICE

Intent to File an Application with USDA Rural Development, Rural Utilities Service

Town of Batavia

This is to provide public notice that the Town Board of the Town of Batavia intends to file an application for grant and loan assistance to construct public water system improvements within an area designated as the Town of Batavia Pratt Road Water District. This proposed project involves the installation of approximately 18,250 linear feet of water mains along portions of Pratt and Powers Roads. The project will serve 32 households. The estimated cost of the project is \$937,000. Based on the Rural Development Preliminary Funding Estimate, it is anticipated the Rural Development will provide a grant of \$517,000 and a low interest loan of \$420,000 for the project. Consistent with Town Law and the procedures of Rural Development, the Batavia Town Board will conduct a public information meeting and/or hearing prior to making a commitment to undertake the proposed project. Residents will be notified as to the time, date and location of such meeting.

The Town of Batavia is an equal opportunity employer.
