

**TOWN OF BATAVIA PLANNING BOARD  
PUBLIC HEARING AUGUST 16, 2005**

**RE: JOHN MAGER – 3500 HARLOFF RD – EXTENSION OF SPECIAL USE  
PERMIT**

The Public Hearing was called to order at 7:35pm by Chairman Kathleen Jasinski. The notice, as published in the Batavia Daily News, was read by the Secretary.

John Mager, owner of the property, appeared before the Board to explain his proposed plans. He would like to be able to have ATV, motorcycle, car and snowmobile racing. This would be an expansion of the current track in the back of the property.

Joseph Jaszko from Kelsey Rd. stated that they have dust and noise all night long now.

Joyce Diegelman from Kelsey Rd asked how what are the hours of operation going to be? Year round? She also questioned if the expansion would infringe on the wetlands. She asked if there could be a limit on days and hours of operation.

Jason Tomporowski from Kelsey Rd stated that the noise is terrible. He prays for rain so they won't run! He hears the loud speaker and can tell what class of race they are running.

When no further comments or opinions were expressed, the public hearing was closed at 7:40 pm.

Respectfully submitted,

Kathleen Jasinski  
Chairman

Sharon White  
Secretary
