PUBLIC HEARING**

Creek/East Roads Water District

6:30 P.M.

Present: Supervisor Post
Deputy Supervisor Underhill
Councilman Lang
Councilwoman Michalak
Councilman Zambito

Others Present: Town Clerk Morasco
Steve Mountain, Town Engineer
Eleven Residents of the Proposed Water District

Supervisor called the Public Hearing to order at 6:32 P.M. and the Supervisor presented the notice as published in the Daily News.

Bob Brumsted- who owns property jointly with his mother asked what the legal procedure is to form the District and questioned whether there will be adequate pressure for this district. The Supervisor explained the procedure to establish a water district and that there should be adequate pressure for this district.

Bob Smith- ask about the connection/disconnection process. The Supervisor briefly explained the process and informed that when the time comes for connection, the residents will be notified of the process and their options.

Patrick Parish-questioned the petition results to qualify for the creation of the water district. The Supervisor explained that there are two criteria's, the petition must contain signatures from over 50% of total assessment value and over 50% of owner/occupied.

John Della Penna-expressed that he talked to the majority of people, most have iron and sulfur in their water, and well recovery issues (even if they do have good water). There were some people (small percentage) that said no.

The Supervisor thanked all for attending this evening. It is not an easy process. He salutes everyone that has taken the time in this process.

Councilman Lang expressed that it is good to see the residents here. He went through this process a year ago, and at first he didn't know if he wanted or needed public water, and now is happy to have public water.

Jim Lewis- stated, "let's get it done".

Supervisor Post declared the Public Hearing closed at 6:52 P.M. as no one else commented on the proposed Creek/East Roads Water District.

Respectfully submitted,

Teressa M. Morasco
Town Clerk
