

**TOWN OF BATAVIA PLANNING BOARD
PUBLIC HEARING APRIL 5, 2005**

RE: GATEWAY II CORPORATE PARK – SITE PLAN APPROVAL

The Public Hearing was called to order by Chairman Kathleen Jasinski at 7:30 pm. The notice, as published in the Batavia Daily News, was read by the Secretary.

The purpose of the public hearing is to obtain site plan approval. Steve Mountain, Engineer for the project, brought the members up-to-date on the proposed park.

Herb Schroeder, owner of Godwin Pumps on Rt. #98, asked about the driveway coming onto Rt. #98 and if there would be a traffic light there. Mr. Mountain stated that the traffic study done by the NYSDOT did not indicate any traffic light. There will a right hand lane into the park and right and left hand lanes coming out of the park to help with traffic flow.

When no further comments or opinions were expressed, the public hearing was closed at 7:46 pm.

Respectfully submitted,

Kathleen Jasinski
Chairman
