

**TOWN OF BATAVIA PLANNING BOARD
PUBLIC HEARING JULY 19, 2005**

RE: IJR INC. – W. SAILE DR – SPECIAL USE PERMIT

The public hearing was called to order at 7:35 pm by Chairman Kathleen Jasinski. The notice, as published in the Batavia Daily News was read by the Secretary.

The purpose of the public hearing is for the proposed construction of a building for a heavy equipment sales and service business.

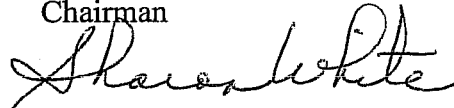

Danial Voltura, employee of Valvo Equipment and Todd Audsley, architect, gave a brief over view of the proposed project. It will be a Valvo Sales & Service dealership located on 4-6 acres on W. Saile Dr. behind the State St. Animal Hospital. It will be a steel building with an office and walk in parts area.

Chris Mosier from the audience stated that he thought it was a good idea as heavy equipment is hard to get in this area.

When no further comments or opinions were expressed, the public hearing was closed at 7:41 pm.

Respectfully submitted,

Kathleen Jasinski
Chairman
