VEHICLE REPAIR

The Public Hearing was called to order at 7:36 pm by Chairman Kathleen Jasinski. The notice, as published in the Batavia Daily News, was read by the Secretary.

The purpose of the public hearing is to obtain approval to operate a motor vehicle repair business and tire sales and storage in an existing building located at 4535 W. Saile Dr.(part of former IJR property).

Jason Parmenter appeared before the Board and stated that his business is in need of a more larger and modern facility. They currently operate on E. Main St. (next to Miss Batavia Diner). Bill Benton of Saile Dr asked what barn are they going to occupy? Mr. Parmenter stated that it will be the barn on the west side of the property.

When no further comments or opinions were expressed, the public hearing was closed at 7:39 pm.

Respectfully submitted,
