

TOWN OF BATAVIA PLANNING BOARD
PUBLIC PARTICIPATION APRIL 5, 2011

RE: HOLIDAY INN EXPRESS—SEQR

Chairman Jasinski opened up the meeting to allow members of the public to speak regarding the NYS Environmental Quality Review for the proposed hotel.

Tom Warth, Attorney representing the hotel owners in the immediate area, spoke to the Board explaining that this area is zoned for light industrial, warehousing and transportation. It is not for a hotel. The purpose of the industrial park is to be shovel ready for other purposes.

Please take a hard look at the environmental impact statement done for this project.

When no further comments or opinions were expressed, the public participation was closed at 7:37pm.

Respectfully submitted,

Kathleen Jasinski
