APPROVED by unanimous vote (5-0)

RESOLUTION NO. 17:

Supervisor Post offered the following:

**RESOLUTION AND ORDER FOR ESTABLISHMENT
OF THE PEARL STREET ROAD WATER DISTRICT
FOR A PORTION OF THE TOWN OF BATAVIA**

WHEREAS, the Town Board of the Town of Batavia, duly adopted a Resolution directing Gregory H. Post, the Town Supervisor of the Town of Batavia to file a map, plan and report as prepared by the Town's engineer for providing the facilities, improvements or services in a portion of the Town of Batavia, wherein a water district was proposed to be established, as hereinafter described, and

WHEREAS, after the said Town Supervisor duly filed said map, plan and report in the office of the Town Clerk of the Town of Batavia on November 8, 2006, and the said Town Board, did on December 20, 2006, duly adopt an Order reciting a description of the boundaries of the proposed district, the maximum amount proposed to be expended for the improvement, the proposed method of financing to be employed, the fact that a plan, map and report describing the same are on file in the Town Clerk's Office for public inspection and specifying that said Town Board shall meet at the Town Hall on the 17th day of January, 2007, for the purpose of conducting a public hearing on such proposal to establish the water district with the specified improvements and to hear all persons interested in the subject thereof concerning the same, and

WHEREAS, a "Petition to Request Water District " was filed in the Batavia Town Clerk's Office on December 1, 2006, which was signed by a number of owners within said district, which was greater than the percentage required by law, and

WHEREAS, the improvements proposed are as follows: a project to provide a safe and reliable potable water supply and fire protection to certain residences in the proposed Pearl Street Road Water District. The overall project will consist of the construction and installation of approximately 2,700 linear feet of eight inch water main along the portion of Pearl Street Road starting at the intersection of Pearl Street Road and Hartshorn Road at the northeast corner of land designated by Tax Map Parcel No. 14-1-7, to connect with an existing water district, and then running southeasterly along Pearl Street Road to the Town of Pembroke line; together with all related right-of-way costs, site work and other ancillary work, including hydrants, valves, apparatus, and other improvements and costs incidental thereto (referred to herein as "water improvement"), and

WHEREAS, copies of the aforesaid said Order for a Public Hearing were duly published and posted according to law, and said Town Board did, at the time and place specified in said Order, duly meet and consider such proposal and heard all persons interested in the subject thereof, who appeared at

JANUARY 17, 2007
REGULAR TOWN BOARD MEETING

such time and place, concerning the same, and

WHEREAS, the evidence offered at such hearing requires that the Town Board make the determinations hereinafter made;

NOW, THEREFORE, BE IT RESOLVED, by the Town Board of the Town of Batavia, in the County of Genesee, that it be and hereby is determined as follows:

(1) The aforesaid "Petition to Request Water District" was signed, and acknowledged or proved or authenticated, as required by law and is otherwise sufficient.

(2) The Notice of Hearing was published and posted as required by law and is otherwise sufficient.

(3) That all the property and property owners, within the proposed water district are benefited thereby.

(4) That all of the property and property owners benefited are included within the proposed water district.

(5) It is in the public interest to establish the proposed water district as hereinafter described; and be it

FURTHER RESOLVED, that the Town Board does hereby approve the establishment of a Water District as hereinafter described to be known as the Town of Batavia Pearl Street Road Water District. Said Water District being described on **EXHIBIT A**, attached hereto and made a part hereof; and be it

FURTHER RESOLVED, that the maximum amount proposed to be expended for such water improvement is \$239,000.00, which is planned to be financed by the issuance of serial bonds in an amount not to exceed \$130,000.00, offset by any funds to be received from the United States of America, and/or the State of New York, and/or the County of Genesee, and/or local grants; including, but not limited to, a USDA Rural Development Agency grant of \$109,900.00, and be it

FURTHER RESOLVED that the proposed debt of \$130,000.00 from a loan from the USDA Rural Development Agency shall be paid over a 38 year term at 4.5% interest, thereby creating an annual debt service (assuming 14 units) of \$515.00 per typical property user in the proposed district, which is a single family home, and be it

FURTHER RESOLVED that a typical household uses 63,000 gallons of water per year and the estimated cost of the water to be purchased by the water district's users is a total of \$3.70 per 1,000 gallons used, thereby the average household can expect to additionally pay approximately \$234.00 per year for water purchase above and beyond the debt service, and be it

FURTHER RESOLVED that based upon the foregoing estimates, the total annual cost of the typical property in the proposed district will be \$749.00 per year, and be it

FURTHER RESOLVED that payment of the debt service will be made by levy and collection of special assessments from the several lots and parcels of lands within the water district, which the

JANUARY 17, 2007
REGULAR TOWN BOARD MEETING

Town Board shall determine and specify to be specially benefited thereby, so much upon and from each as shall be in just proportion of the amount of benefit conferred upon the same, to pay the principal of and interest on said bonds, as the same shall become due and payable, and be it

FURTHER RESOLVED that each property will also have to pay for service from their home to the road right-of-way, incurring an estimated one time cost of approximately \$125.00 for a meter, plus approximately \$8.00-\$12.00 per linear feet of pipe, plus potential well abandonment or separation charges, as well as any internal plumbing charges, and be it

FURTHER RESOLVED that this Resolution and Order is not subject to a permissive referendum; and be it

FURTHER RESOLVED that within ten (10) days after the adoption hereof, the Town Clerk shall post and publish as provided by law a Notice setting forth the date of the adoption of this Resolution and Order and containing an abstract of this Resolution and Order concisely stating the purpose and effect hereof; and be it

FURTHER RESOLVED, that the Town Supervisor, assisted by the Town Attorney and Town Bond Counsel will prepare an application to the Office of the State Comptroller, Department of Audit and Control for approval of the formation of this Water District, and be it

FURTHER RESOLVED, that the Town Clerk be and she hereby is authorized and directed to file within ten (10) days hereof a certified copy of this Resolution and Order in the Office of the Genesee County Clerk, and also in the Office of the State Department of Audit and Control.
