Supervisor called the Public Hearing to order at 7:02 P.M. and opened the meeting for public comment and assistance to the Town in defining community development priorities for inclusion in an application for funding under the Community Development Block Grant (CDBG) Program, as published in the Daily News.

The Town is considering submitting an application for funding under the CDBG program. Two public hearings are required. This one is to announce and inform the public about the program and a chance for the public to offer assistance to the Town in defining community development priorities.

Supervisor Post declared the Public Hearing closed at 7:07 P.M. as no one attended to offer assistance to the Town in defining community development priorities and possible projects for inclusion in an application for funding under the CDBG Program

Respectfully submitted,

Teressa M. Morasco
Town Clerk
