RE: TERRY WITKOP – 9280 ALEXANDER ROAD - AREA VARIANCE

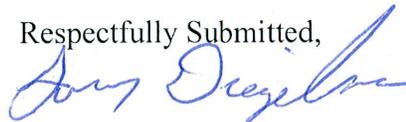

Chairman Gary Diegelman called the public hearing to order at 6:50 PM. The notice, as published in the Batavia News was read by the Chairman. The purpose of the public hearing is to obtain approval for an area variance for a rear yard setback for a 24x32 pole barn

Mr. Witkop explained he would like to construct a 24x32 pole barn with an 8' lean to off the west side for storage. Mr. Diegelman commented due to the triangular lot the only place that they can position the structure is the corner of the lot.

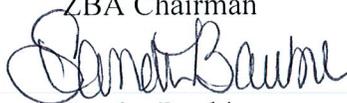

Gary Diegelman commented that notices were sent out and he did receive one letter from an individual stating he did not have a problem with the construction as long as it was done properly. This letter was not signed so he does not know whom it came from.

When no further comments or opinions were expressed, the public hearing was closed at 6:54pm.

Respectfully Submitted,

Gary Diegelman
