Supervisor Post called the Public Hearing to order at 7:05 P.M. and opened the meeting for public comment on the 2021 Water Rate as published in the Daily News.

Loren Clark asked if the rate was increasing. The rate is decreasing. Again, the Supervisor reiterated that the Town is maintaining a stable rate due to the industrial partners and the contribution to the water fund based on usage. Industrial users require less service but have more usage.

Supervisor Post declared the Public Hearing closed at 7:08 P.M. as no one else spoke for or against the 2021 Water Rate.

Respectfully submitted,

Teressa M. Morasco
Town Clerk
