## **PRESS RELEASE PARK ROAD IMPROVEMENT PROJECT**

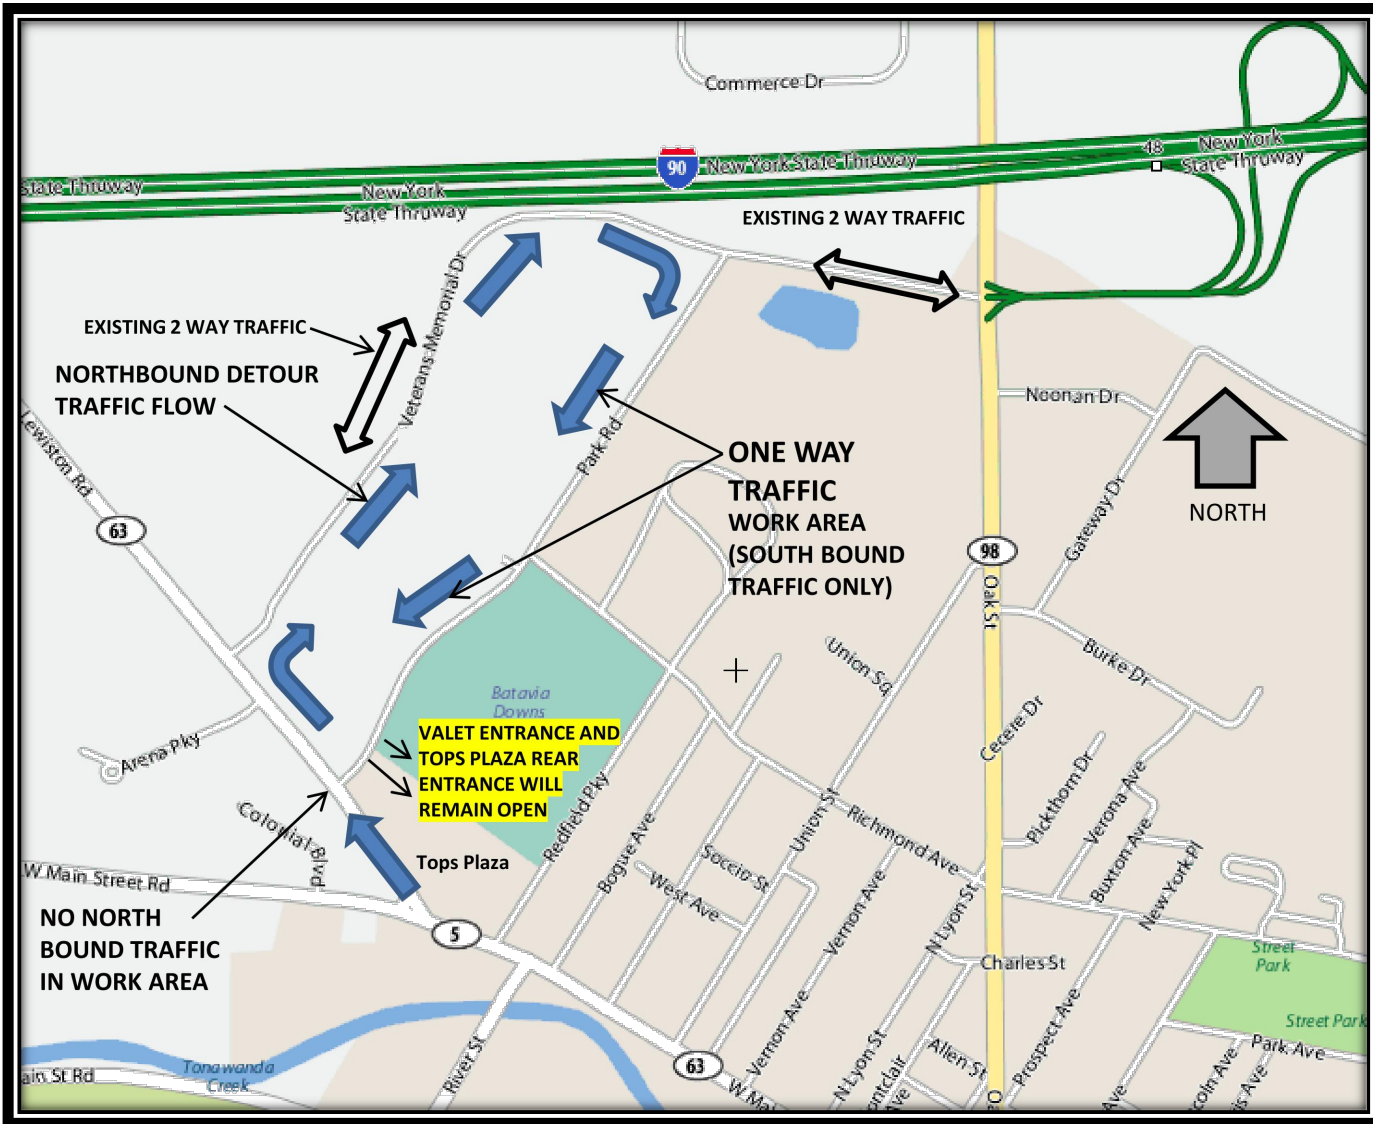

**Starting March 21st through the fall of 2022**, a contractor for the Town of Batavia, CATCO, will be installing new utilities, reconstructing, and resurfacing Park Road from the intersection of NYS Route 63 to NYS Route 98.

**To complete this project, the following changes will be implemented during construction:**

For this project Park Road northbound traffic will be detoured onto Veterans Memorial Drive and Park Road southbound traffic will remain on Park Road. This means only a single lane of traffic will be established for southbound travel. The timeline for completion is November 2022.

We ask that you bear with us during construction and consider making changes to your daily commute or plans to visit any establishments along Park Road since traffic will be restricted during construction. Alex's, Tops Plaza rear entrance and Batavia Downs will remain accessible only while traveling southbound. See attached Traffic Flow Map. Construction updates on this project, in addition to other Town of Batavia projects, can be found here: [www.townofbatavia.com](http://www.townofbatavia.com)
