The proceeds from the sale of the obligations authorized in such bond resolution (as amended and restated) will be used to finance a sewer system improvements project, such work to generally consist of various upgrades to the Kings Plaza Pump Station in the Town and the installation of approximately 1,700 linear feet of 12-inch force main, as well as other such improvements as more fully identified in (or contemplated by) such map, plan and report prepared in connection with such project, all of the forgoing to include all necessary site work, equipment, apparatus and other improvements and costs incidental thereto and in connection with the financing thereof (collectively, the “Project”), at an estimated maximum amount of \$476,588. Such amending and restating bond resolution authorizes the issuance and sale of a serial bond or bonds and a bond anticipation note or notes in anticipation of the issuance and sale of said serial bonds in an aggregate principal amount not to exceed \$476,588, such amount to be offset by any federal, state, county and/or local funds received. Additionally, the amending and restating bond resolution authorizes: (a) an increase in the estimated maximum amount of the Project from \$347,294 to \$476,588 and (b) an increase in the aggregate principal amount of serial bonds authorized from \$347,294 to \$476,588 and other modifications to the Original Bond Resolution as may be consistent with law. Such increase in costs for the Project is due to the receipt of higher than expected bids. The period of probable usefulness for the Project is 40 years. A copy of the resolution summarized herein is available for public inspection during normal business hours at the Office of the Town Clerk, located in the Town Hall, 3833 West Main Street Road, Batavia, New York.
